PROFESSIONAL SUMMARY

Mobile Developer with 3+ years of experience building and maintaining cross-platform Android and iOS applications using Flutter. Experienced in Provider, BLoC/Cubit, and GetX state management, MVVM architecture, REST API integration, Firebase, payment gateway integration, and app publishing to the Play Store and App Store. Also experienced in backend API development with Golang. Bachelor of Informatics graduate from Telkom University with a GPA of 3.69/4.00.

TECHNICAL SKILLS

Programming Language	: Dart, PHP, Html, Python, Go, JavaScript.
Frameworks & Development	: Flutter, Laravel, Golang, React.Js.
Backend & API	: RESTful API, HTTPS, WebSocket, Dio, http, Postman, Insomnia.
Database & Cloud	: Firebase, PostgreSQL, pgAdmin, Railway.
Development Tools	: Git, Visual Studio Code, Android Studio, Xcode.
UI/UX & Collaboration	: Figma, Jira, Canva.
Payment Integration	: Xendit Payment Gateway.

PROFESSIONAL EXPERIENCE

PT. CKL Cargo

Jakarta

Mobile Developer - Contract

14 Aug 2023 - Present

- Developed and maintained HRIS and Driver Management System applications, significantly reducing manual paperwork and improving operational efficiency across the HR and Logistics departments.
- Collaborated closely with cross-functional teams, including UI/UX designers, backend engineers, and QA testers, to deliver high-quality mobile applications.
- Published multiple Flutter applications to both the Play Store and App Store.
- Built scalable and maintainable applications using Provider, BLoC, and Cubit for state management.
- Applied MVVM and Clean Architecture principles to create well-structured, modular, and maintainable codebases.
- Ensured app stability through troubleshooting, feature enhancements, and performance optimizations on both Android and iOS.
- Monitored application health and stability using Firebase Crashlytics to identify, analyze, and resolve crashes and runtime issues.
- Successfully migrated a mobile application to the web using the Flutter framework.

LOKER PROGRAMMER

Jakarta

Mobile Developer - Internship

2 Jul 2023 - 2 Oct 2023

- Involved in Front End Mobile Development in a project on making Application.
- Employ Getx Architecture and State Management for scalable codebases.
- Consume Rest API using Https
- Implemented various features and improvements on Android App using Flutter.

Flutter | Android & iOS | REST API | GetX | Https

MOBILE INNOVATION

Jakarta

Mobile Developer - Internship

28 Nov 2021 – 3 Jan 2022

- Created an Android Application prototype app for mental health application.
- Collaborate with UI/UX and Business Analyst to create a mobile application project.
- Consume Rest API using Dio
- Employ Provider State Management using MVVM Architecture.

Flutter | Android & iOS | REST API | Provider | Https

TRAINING & BOOTCAMP

ALTERA ACADEMY

Flutter Mobile Developer

17 Feb 2022 - 29 Jul 2022

- Involved in Front End Mobile Development in a project collaboration alongside UI/UX, React (Website), Backend (Golang), and Quality Assurance on making Application and Website.
- Successfully Created a Novel App using Provider as State Management and Firebase framework as API.
- Consume Rest API using Dio
- Implemented various features and improvements on Android App using Flutter.
- Learn how to implement Object Oriented Programming concepts

Flutter | Android & iOS | REST API | Provider | Dio

SANBERCODE

Flutter Mobile Developer

16 Aug 2021 – 10 Sep 2021

- Created Application programming interface using Figma.
- Created a Front End Application project using Flutter and API from Firebase framework.

Flutter | Android & iOS | Firebase | Https

MICROCREDENTIAL DATA SCIENTIST ASSOCIATE TRAINING

Data Scientist

1 Nov. 2021 – 13 Jan. 2022

- Data Science and AI in a group, implemented using python language and deploying the project using Heroku.
- Learn how to communicate with different teams in a project.

Machine Learning | Analytical Skills | Python

EDUCATION

TELKOM UNIVERSITY (2019 - 2023)

- Bachelor's Degree (S1) – Informatics (2019 – 2023)
- Current GPA/IPK is 3.69/4.00

SMA CENDANA DURI (Senior High School) - Science major (IPA)
